Driver dies in Lagos-Ibadan Expressway auto crash

ONE person died yesterday while others were injured in an accident involving a tanker and a Mazda commercial bus on the Lagos-Ibadan Expressway, an official said. The spokesman for the Ogun State Traffic Compliance and Enforcement Corps (TRACE), Mr Babatunde Akinbiyi, confirmed the fatality to the

News Agency of Nigeria (NAN) in Abeokuta. Akinbiyi said the accident was caused by speeding on the part of the tanker driver, who was coming from Lagos.

According to him, the tanker hit the road barrier erected by the contractors working on the expressway and rammed into the La-

gos-bound bus at 9.25 a.m.

"The driver of the bus lost his life in the accident. The tanker, with registration number marked AKD 650 XQ was laden with ethanol while the bus had registration number, BWR 515 XA. "The tanker which was coming from Lagos hit the barrier and rammed into the bus going to La-

gos. Only the driver of the bus died," he said. Akinbiyi said the body of the driver had been deposited at the morgue of the Olabisi Onabanjo University Teaching Hospital, Sagamu. He said the accident caused slow movement of vehicles on both sides of the expressway currently undergoing reconstruction.
