Tension in Aba as police kill resident, destroy vehicles

From **Ogbonnaya Ndukwe**,
Aba

Team (RRS), opened fire early yester-
day morning, killing one person and
destroying several vehicles, including
commercial tricycles.

They were said to be retaliating the
beating up of one of their men whose
car got involved in a crash with a Keke

operator.

Eyewitnesses, including female
residents and bus drivers whose ve-
hicles got smashed, even with pas-
sengers, lamented the way the police,
whom they said were of the SARS,
swooped on them, shooting heavily

in all directions and destroying vehicles.

Daily Sun gathered that though there were
rumours of attack on a close by Police Area
Command headquarters along Hospital/Eziuk-
wu road, no such attack was made nor any one
seen challenging the policemen that carried out
the shooting and destruction in Ama Ogbonna
within the Presbyterian Church, No 1 Azikiwe
Road, area.

As at the time of this report, it was unclear
the reason for the shooting but tension engulfed
the town.
