

Meanwhile 14 persons were killed, several injured and thousands displaced across communities in Gassol and Bali Local Government Areas of Taraba state, following attacks by suspected Fulani militia.

Mr. Orkurga Terkimbi a community leader in one of the communities told our correspondent on the phone that 12 dead bodies were recovered around the bushes of Ijever near Sabon-Gida in Gassol Local Government while another two were killed in Pangari, a farming community in Bali Local Government Area.

Terkimbi said that some of the injured persons are currently receiving treatment at various hospitals in Bali and Gassol.
