leged excessive speeding and dangerous driving on the part of the driver of the car.

The sector commander said that the car lost control due to excessive speeding and rammed into the stationary truck and this led to the death of five people - three male and two female. He added that two other people sustained injuries in the accident that involved seven people.

"Their corpses have been deposited at the morgue of Ota General Hospital, while the survivors were receiving

treatment at Cranft Hospital, Ota, he said.

Umar described the crash as avoidable and advised motorists to avoid excessive speed and dangerous driving and to obey traffic regulations to prevent unnecessary loss of lives.

He commiserated with the families of the dead and prayed God to grant them the fortitude to bear the irreplaceable losses.

The sector commander called on them to contact the FRSC Command in Ota for details of the crash and to reclaim the property of the victims recovered from the accident scene.
