Bandits attack Kaduna community, kill 2, kidnap others

FROM **NOAH EBIJE**,
KADUNA

NO fewer than two persons were shot dead and others kidnapped by bandits at about 8pm on

Thursday in Ungwan Bulus area of Sabo Tasha, Kaduna city.

Some residents were hit by stray bullets and got injured while escaping from the rampaging bandits.

According to eyewitnesses, the bandits started shooting as soon as they entered the community from a dark pathway.

Residents on hearing the gunshots, began to run to

safety, even as the bandits moved from houses to houses in a killing spree.

But in most cases, eyewitnesses added, they met empty homes since the occupants had escaped.

“How some of us escaped to safer area that night is still like a miracle to us. We could see and hear bullets hitting buildings”. An eyewitness said.

It was gathered that the injured victims were rushed to hospitals by the aid of security personnel,
