

Family of 5 die in Lagos-Badagry Expressway auto crash

FIVE members of a family were feared killed in an auto crash which occurred along the Lagos-Badagry Expressway last Sunday night.

The accident was said to have claimed the lives of a father, mother and their three children when their Toyota Sienna rammed into a truck parked on the roadsides.

The Unit Commander, Federal Road Safety Commission

(FRSC), Badagry, Mr Sulaiman Taiwo, who confirmed the incident, said the accident occurred around Agemowo, Buhari Estate, Badagry, Lagos. Taiwo said the Toyota Sienna with registration number JJJ 947 HM was coming from Agbara when it rammed into a Volvo truck with registration number T-8101 LA. The unit commander said the driver of the car rammed into

the stationary truck due to poor visibility.

"The unit was alerted of the accident at about 8:45pm and we arrived at the scene at 9pm. The accident was fatal, father, mother and their sons were rushed to the General Hospital in Badagry, where they were confirmed dead by the doctor on duty," he said.

The unit commander appealed to the Lagos State gov-

ernment and well-meaning Nigerians to provide a towing vehicle for the command in Badagry.

"Trucks plying Agbara-Badagry expressway always develop fault on the expressway and without a tow vehicle, we cannot move them from the road. It is difficult to get the vehicle in this axis, but if we have a towing vehicle, it will be easy for us to move

them out of the roads," he said.

2 An officer of Lagos Neighbourhood Safety Corps (LNSC), Oluwaseun Hunsu, on July 19, 2022, also died in an accident in the area where four other people sustained injuries. The driver of the Mazda commercial bus, with registration number LSD 470 YC, carrying Hunsu and other passengers hit a Man Diesel Tipper that was parked on the expressway.
