

# Abia Rep decries boundary clash which killed female constituent

From **Okey Sampson**,  
Umuahia

**THE** member representing Arochukwu/Ohafia Federal Constituency in the House of Representatives, Hon. Ibe Okwara Osonwa, has decried the boundary clash between communities in Abia and Akwa Ibom states which took the life of one of his female constituents.

Addressing newsmen in Umuahia, Hon Osonwa

who lamented the recurring clashes between the people of Isu in Arochukwu LGA and Ukwa people of Cross River State which claimed the life of a woman from Isu had become worrisome.

He assured that he would liaise with Abia State government and various security agencies in the state to restore calm in the area.

Speaking on his achievements in the past one year, the lawmaker said he had

attracted many roads, electricity, and erosion-control projects and promised to attract more democracy dividends for his constituents.

He said he had presented a bill at the House of Representatives for the upgrading of the Ohafia General Hospital, to a Federal Medical Centre, contending that some states has two of such health facilities.
