

Four Shot Dead in Intercult Clash at Emuoha

Just as Port Harcourt was recovering from the attack at Ogbunabali area where two youth were killed by cult, four more people have been reportedly killed by another cult group at Rumuekpe, in Emuoha Local Government area of the state.

Eyewitnesses accounts have it that the clash was between Dewell and Degbam, over control and superiority, where all manner of weapons were allegedly employed by both sides.
