Gunmen Kill Cement Dealer in Ebonyi

The people of Amike community in Ohaukwu local government area of Ebonyi state were yesterday thrown into mourning as unknown gunmen shot and killed a middle aged man identified as Mr Chuwkudi Uto, at 135 Ezzamgbo, opposite the council headquarters. The victim, Chukwudi, a father of one was said to be a cement dealer for the Principal Secretary to Governor Martin Elechi, Chief Michael Nwankwo. Eyewitness told THISDAY that the incident happened around 9:30 pm, when the victim and his two other friends were rejoicing for journey mercies from Lagos State, where he went to buy Datsun truck for his Cement Business, when the killers shot him. The source said that the two gunmen invaded the drinking bar and demanded for the key of the truck, so that no person would use the vehicle to pursue them, and later shot him three times on the chest before they veered off to Abakaliki route. According to the eyewitness "they were three persons drinking wine at a joint at 135 Ezzamgbo, where they were celebrating their successful journey to and from Lagos on the purchase of Datsun truck for his cement business.
