

Man, 27, kills mother, 62, in Ebonyi

July 27, 2017 Uchenna Inya

A 27-year-old boy, Ekene Ezeogo from Agbaja community in Abakaliki Local Government Area of Ebonyi State, on Thursday killed his 62-year-old mother, Marry Ezeogo.

Ekene is a second to the last child of the deceased who has six children.

Ekene, a welder, was said to have knocked down his aged mother when the deceased tried to separate a fight between him and his younger sister; a development that led to her death.

Residents of the area told our correspondent that the deceased fell down after she was pushed by Ekene and she was immediately rushed to a nearby St. Agatha hospital for treatment.

In the cause of treatment, it was discovered that the deceased was suffering from uterus prolapse for years but had been hiding the ailment.

After managing the ailment for two days, she was later transferred to another hospital where she was billed for surgery before she died.
