Two students of the Ambrose Alli University (AAU), Ekpoma, yesterday lost their lives in an accident which occurred on the university campus. The accident occurred when one of campus shuttle buses lost control due to brake failure and somersaulted several times.

A 300 Level student of Educational Foundation Management, identified simply as Ebere, lost her life in the accident, while several others sustained various degrees of injury. However, one of the injured students, who were rushed to the hospital, died later. Meanwhile, a committee to investigate the immediate and remote
