Three female suicide bombers blew themselves up yesterday while they injured three others when they detonated an Improvised Explosive Device (IED) strapped on their bodies at 20 Housing Estate in Konduga Local Government Area of Borno State.

A security source said the suicide bombers entered Konduga 20 Housing Estate and detonated IEDs on their bodies, killing themselves and injuring three residents. A witness, Mallam Ibrahim Kondua, said the bombers came through a river at the back of the estate.

He said: “We thanked God that they killed only themselves. We are not going to be deterred by their attack. By the grace of God their days are numbered.” The injured persons have been taken to the hospital where they were responding to treatment.
