## Man slumps, dies during workout

Published 9 hours ago on October 30, 2018

By Emmanuel Ifeanyi 🔰

A yet-to-be identified man yesterday died during an early morning road exercise in A State.

Witnesses said the man, aged between 30 and 35, was exercising on Ikot Ekpene Road Hill, when he suddenly slumped and died before he could be taken to the hospital.

The incident led to traffic build up as the deceased lay on the road while sympathiser barrier to alert motorists to avoid crushing the body.

"The man was exercising on the road before he suddenly collapsed and foams started out of his mouth. Nobody knew what happened to him, but when he collapsed on the knew there was a problem. Some people checked him for any means of identification was found," a witness said.

When our correspondent visited the area, the body of the man dressed in white sport still lying on the road, even as a team of policemen took over the scene. Sympathiser in groups to discuss the situation, but no one was able to identify the man before his taken away in an ambulance.

The state Police Public Relations Officer (PPRO), Mr. Geoffrey Ogbonna, could not be at press time.

However, a senior police officer at the Ogbor Hill Division said the body had been dep a mortuary while efforts were being made to locate his family.
