One person died while several others were injured during a stampede at the All Progressives Congress (APC) Presidential rally held at the Radar Square, Maiduguri, Borno State.

The incident occurred when a pavilion collapsed

on the mammoth crowd of APC supporters, who were there to catch a glimpse of President Muhammadu Buhari.

The pavilion collapsed owing to the huge number of people on it.

Sympathising with the victims, President Buhari prayed for the repose of the soul of the deceased and quick recovery of the injured.
