40-year-old man, Paul Okwudili, has reportedly lost his life shortly after checking into a hotel with a lady in Onitsha, Anambra State.

The state Police Public Relations Officer (PPR), SP Haruna Mohammed, confirmed this yesterday.

Mohammed said the lady ran out of the hotel room about 3a.m. shouting for help after she observed that Okwudili was behaving strangely.

The PPRO said that the man was confirmed dead at the hospital where he was taken for medical attention by the hotel management.

Mohammed said there was no mark of injury on the body of the deceased, but drugs suspected to be sex enhancers were discovered in the room.

The police spokesman said that the lady, whose name was not released to journalists, had been arrested and was assisting the police in their investigation.

He said: “There was no mark of violence on the body of the deceased, but some drugs were discovered in the hotel room reasonably suspected to be enhancement drugs.

“We have deposited his remains at the hospital mortuary for autopsy, while investigation is ongoing to ascertain circumstances surrounding the incident.”
