Again, bandits attack Niger community A rmed bandits on Satur- ... as 15 feared drowned fleeing

another attack on Gurmana Ward, Shiroro Local Government Area, Niger State.

Sunday Telegraph learnt that over 15 people were feared to have drowned in River Kaduna, as they tried to escape from the bandits' attack.

Sources said that the bandits were armed with sophisticated weapons and were shooting sporadically when they entered into the

the second

community.

According to a source, who preferred to remain anonymous, the people had to run towards the river to escape attack adding that in the process, many of them drowned.

"Right now, we don't know how many drowned. We are suspecting the bandits are still around. We cannot confirm the number of casualties now," Intollication of the casualties now, "Intollication of the casualties now," Intollication of the casualties now, "Intollication of the casualties now," Intollication of the casualties now, "Intollication of the casualties now," Intollication of the casualties now, "Intollication of the casualties now," Intollication of the casualties now, "Intollication of the casualties now," Intollication of the casualties now, "Intollication of the casualties now," Intollication of the casualties now, "Intollication of the casualties now," Intollication of the casualties now, "Intollication of the casualties now," Intollication of the casualties now, "Intollication of the casualties now," Intollication of the casualties now, "Intollication of the casualties now," Intollication of the casualties now, "Intollication of the casualties now," Intollication of the casualties now, "Intollication of the casualties now," Intollication of the casualties now, "Intollication of the casualties now," Intollication of the casualties now, "Intollication of the casualties now," Intollication of the casualties now, "Intollication of the casualties now," Intollication of the casualties now, "Intollication of the casualties now," Intollication of the casualties now, "Intollication of the casualties now," Intollication of the casualties now, "Intollication of the casualties now," Intollication of the casualties now, "Intollication of the casualties now," Intollication of the casualties now, "Intollication of the casualties now," Intollication of the casualties now, "Intollication of the casualties now," Intollication of the casualties now, "Intol

The state of the s

When contacted, the coconvener, Concerned Shiroro Youths, Sani Abubakar Kokki said that the bandits attacked the community with heavy sophisticated weapons.

He said that the bandits when they attacked the village shot sporadically into the air, adding that there are many casualties but there is no certainty to the number of those affected at the moment.
