

# Gunmen kidnap another monarch in Imo, kill one

Gunmen yesterday abducted a traditional ruler at Y-Junction, Ubomi-ri in Orlu Local Government Area of Imo State.

A source said the abduction occurred during a heavy downpour in the afternoon.

It was gathered the monarch, whose identity is yet to be ascertained, was travelling with his little daughter when the abductors overtook his Range Rover on Orlu Road and forced him to stop.

The source said a royal cap belonging to the monarch was found inside the car, adding: "The man was travelling in a Range Rover with a girl."
