The development has attracted the attention of the Joint National Association of Persons with Disability (JONAPWD), Anambra State Chapter, who has called for justice for their member, Mmaduabuchi.

This was contained in a statement jointly signed by the state Chairman of the Association, Ugochukwu Okeke E.C.; the Public Relations Officer, Comr. Ifeanyi Igwegbe; and the Legal Adviser, Barr. Peter Muoneke, in which they also noted that the late blind Nnofu was the Chairman of the association in Aguata Local Government Area.

The group's statement read in part, "The attention of the Joint National

Association of Persons with Disability (JONAPWD), Anambra State chapter has been drawn to the gruesome murder of our Chairman in Aguata L.G.A. Chapter, Mr. Mmaduabuchi Nnofu, a visually impaired man.

"Nnofu, aged 47, a native of Eziagulu in Ekwulobia community, Aguata L.G.A., was allegedly murdered and set ablaze by his younger brother, Mr. Onyedika Nnofu on Sunday, January 30, 2022.

"Our sources told us that Nnofu was at home relaxing when the suspect came in with weapons and killed him before setting him ablaze within the compound. We suspect that he was murdered over a family

land which had been duly assigned to him by their late father.

"Late Mmaduabuchi, while alive, confided in us that the land in question was willed to him by their late father, who also willed another one behind his to the prime suspect. He also told us that his brother since then had tried all he could to take over the land by force for sale.

"Hence, the prime suspect approached Aguata Customary Court, which in its wisdom, urged them to settle the issue out of court. They were still waiting to settle the case out of court, only for us to hear the news that the suspect allegedly walked into his compound last Sunday and gruesomely murdered him.
