The Kaduna State Police Command said operatives in the state has recorded another victory against criminal elements by killing two notorious bandits even as they recovered weapons from them.

Spokesman of the command DSP Mohammed Jalige in a statement said the "Command had at about 0800hours of 12th October, 2022 received an information that some heavily armed bandits in large numbers were sighted around Idasso area of Kidandan in Galadimawa District of Giwa LGA on a mission to commit atrocity against law abiding citizens."

He said "upon receipt of the

information, the Command immediately mobilised a nearby crack squad to advance to the location in a bid to thwart their nefarious mission. The resilient officers on getting to the area engaged the bandits in a fierce gun battle and successfully neutralised two bandits while others escaped with varying degrees of bullet wounds."

Jalige added that an immediate search of the vicinity led to the recovery of an AK49 rifle loaded with twenty four (24) rounds of live ammunition and one bandits' operational motorcycle.

"A kidnapped victim, one Yusuf Dahiru, 65yrs was equally rescued unhurt. Operatives are currently combing the general area with the view to apprehending the fleeing band of marauders."
