Speaking to our Correspondent, father of the three children who only gave his name as Enoch disclosed that this month in Bassa.

"My children are in pains, Mali, Nehemiah, and Jona, they are 20, 15, and 14 years old and were riding on a government vehicle that needs to act and do something.

What is our sin that will make us go through all these attacks," he lamented. According to one of the village headmen, "the victims are my sisters children.

This is the second time explosion had occurred this month in Bassa. The first explosion which occurred this month, a victim was going to farm."

He added that the three victims lost their legs and have been rushed to the Ibrahim Badamasi Babangida Hospital where they are being treated.

However, when contacted to confirm the explosion, the Police Public Relations Officer SP Wasiu Abiodun
