1 minute read

Some people believed to be looters were reportedly trapped under the debris of the recently demolished Daula Hotel in Kano. According to reports, the looters were searching for iron rods in the rubble when the incident occurred. One person was reported dead, with others yet to be accounted for.

The hotel is one of the public buildings brought down on the orders of Governor Abba Yusuf, who has promised to reclaim government property “illegally so. At 2:30 pm when the suspected looters were searching for iron rods in the rubble. Spokesman for the Kano State Fire Service Saminu Yusuf said they had rescued
