

Suspected Yahoo boy kills girlfriend in Benin

Francis Ogbuagu
BENIN

A suspect Yahoo boy (internet fraudster) Victor Ifakachukwu has allegedly stabbed his girlfriend to death in his apartment in Benin City.

The bloody incident occurred at No 10, Osahon Street, Ogheghe Quarter, off Sapele Road.

The suspect is currently hospitalised due to the severe injuries sustained during what appeared to be a deadly knife attack in his apartment.

Police said the suspect is being closely monitored at an undisclosed hospital, hoping to answer to his crime whenever he regained consciousness.

It was learnt that the unfortunate incident was reported to the police by his landlord Emmanuel Momoh about 4 p.m. on August 21.

Police said two blood-stained knives, one laptop, two iPhones and one Nokia phone were recovered from the apartment.
