A suspected leader of a kidnap gang has reportedly been killed around Elerinjare axis in the Ifelodun Local Government Area of Kwara State by the vigilance team and hunters who stormed their hideout.

It was gathered that five other members of the gang alleged to have master-minded a kidnap incident in the area recently were also apprehended in the process.

The vigilante team was said to have been led to the hideout of the alleged kidnappers by the husband of a woman, Pastor Johnson Ajiboye, whose wife Mrs Bola Ajiboye was abducted at her home in Elerinjare, but was later released after payment of N1m ransom and foodstuffs to the kidnappers.

There was, however, a twist of fate when Pastor Oladipo who went to deliver the ransom was also reported to have been seized by the kidnappers, while Mrs Bola Ajiboye was released.
