# Zamfara: Gunmen kill DCO, 6 others, set station ablaze

**G**unmen in their numbers on Sunday invaded Zurmi Local Government Area of Zamfara State, attacked and set ablaze the Police Divisional Headquarters after killing the Divisional Crime Officer and six others while on duty.

A resident of Zurmi who simply identified himself as Musbahu Zurmi, told *New Telegraph* that a large number of armed bandits in-

vaded the local government headquarters and directly headed to the police station while shooting ceaselessly into the air with the aim to scare away people around the area.

Musbahu revealed that, on arrival, the bandits opened fire on any moving

person or object within the police station, during which the DCO and six others were possibly gunned down.

He said, the bandits did not leave until they ensured the entire police station was

under fire, adding that, all other policemen attached to the station fled for their safety.

It would be recalled, that there was a similar attack on Kasuwar Daji Police Station

where two policemen were killed, while a parked patrol vehicle was burnt down just a week before, a clear indication that bandits have intensified attacks on security formations in the state.
