2 minute read

Tragedy struck on Sunday in Sokoto State when a family of five died after consuming a soup prepared with Gishirin lalle.

Sunday Telegraph reports that the incident happened in Kaurar Wanke village of Shagari Local Government.

Confirming the incident, the State Commissioner for Health, Asabe Balarabe said the tragedy occurred while the soup was prepared with the substance, mistaking it for seasoning.

According to her three of the victims died on Friday while the remaining two died in her presence at Specialist Hospital Sokoto.

She however said the remaining two victims are currently receiving treatment at the specialist hospital, in Sokoto.

Balarabe explained that on receiving the report while in Abuja for an official engagement and immediately returned to Sokoto to attend to the matter so as to save the lives of the victims.

The Commissioner maintained that, despite the effort made by the ministry, the victims lost their lives as a result of consuming the soup, resulting in their passing away.

She however said the Corpses of the two victims who died at Specialist Hospital Sokoto had already been enshrined by Islam.

While sympathizing with the families of the victims and advised people to keep poisonous chemicals from food items from other agricultural and cosmetic items and carefully check all ingredients of foodstuff before consuming.
