The flooded area

At least six people have lost their lives while over 10,000 others in 12 communities have been displaced for several hours in Madagali Local Government Area of Adamawa State.

Report from the area revealed that the flood also affected 1,711 households who are now living in eight camps. Houses, shops, boreholes, and many valuables were completely destroyed in the affected areas and 1000 bridges that connects Borno and Adamawa states were not spared.

Meanwhile, the Adamawa State Deputy Governor, Prof. Kaletapwa Farauta, has called on the Federal Government to address the sufferings of the flood victims in Madagali Local Government Area of the state.

Farauta revealed that, already the state government through the office of State Emergency Management has distributed relief materials to the victims. While commiserating with the flood victims on Saturday in Madagali, Farauta noted the destructions of houses and farmlands, he however urged families of those who lost their loved ones to take consolation from God.
