Three persons were yesterday killed by gunmen while five others escaped with various degrees of injury in a Government Area of Anambra State.

This is coming as the Anambra State Government dismissed accusations that operatives of the state Vigilante Force are responsible for the rise in crimes and criminality in the area.

The incident which occurred on Monday at a boundary bush between Enugwu- Ukwu and Nawfia Communities was the result of a phone call inviting some young men from EnugwuUkwu to inspect a land and on getting to the land they
