According to reports which were later confirmed by his close family members, the late principal was assa
in the front of his house, within the school premises, located in Kuchiko, a community in the Bwari Area C

The incident was also confirmed by the Divisional Police Officer in charge of Bwari, CSP Babayola Muharr

Dastardly murder

Inside Abuja gathered that the late Tsoho, without any premonition, had wheeled himself out to the front c
enjoy the natural breeze, when he met his cruel fate.

Hajiya Fatima Abubakar, a close family member, said the death of Tsoho was the most cruel she had ever

Abubakar who said she rushed to the home of the deceased the day after the incident, noted that the pict
not just norv but heart breaking

"From the way his head was smashed to pieces, it appeared that after hitting him with wood, the assailant fell from the wheelchair onto the cement floor after he fell from the wheelchair.

"Honestly, I didn't know when I broke down in tears looking at that picture". She also stated that family members just had their dinner, and were in the sitting room, having a good time together, when the incident occurred.

According to her, " One of his wives who is also a person with disability, and rides on a wheelchair, said that they could not immediately fathom what was wrong.

"The woman told me that it was after some minutes that the eldest daughter of late Principal stepped out from the room, that she shockingly discovered the lifeless body of her father in a pool of blood".

Lack of care

It was gathered that just barely one month after the unfortunate death, the family members' pains and hardship.

It was gathered that after the burial of the late Principal in accordance with Islamic injunctions, the school management level of care required to provide succor to the three wives and six children.
