..cart away rifles of the dead policemen

The Kwara State Police Command has confirmed a deadly attack on a mining site at OrekeOkeigbo in the Ifelodun Local Government Area of the two people, including a Chinese national.

A statement by the spokesperson of the Police Command, SP Adetoun EjireAdeyemi, said the incident occurred on Wednesday evening.

The statement reads: "Information received from the Divisional Police Officer (DPO) in Oreke indicates that a group of unidentified armed assails and killed two operatives of the Nigeria Police Force, ASP Haruna Watsai and Inspector Tukur Ogah, both attached to 45 PMF, Abuja, who were c

The attackers also carted away rifles of the deceased officers. "In addition to the heinous killings, the assailants abducted two individuals: Mr. Sai from Kogi State who was working at the mining site at the time of the incident."

The statement added that the State Commissioner of Police, CP Adekimi Ojo, has strongly condemned the act of brutality, while assuring the pul

"Tactical and intelligencedriven efforts are currently underway to ensure the swift rescue of the abducted victims and the apprehension of those

The Command is working in close synergy with other security agencies and community stakeholders to strengthen its presence in the area and p
