MAIDUGURI

**N**ine people have been reportedly killed and four others injured after Boko Haram attacked Mallam Fatori in the Abadam Local Government Area of Borno State.

A resident Mall Fugu Ari, who spoke to reporters in Maiduguri, said however troops repelled a full-blown attack on Mallam Fatori.

He said: "I want commend the military for repelling attack on our community, many insurgents were killed and several others sustained injury during attack but unfortunately we lost nine of our community mem-

G o v - ernor Babagana Zulum commiserated with the people over the attack.

Zulum promised that government would continue to take adequate measures to ensure their protection.

The Commissioner for Local Government and Emirate Affairs Sugun Mai said: "We are here at the instance of Governor Babagana Zulum, who is out of the country on an official assignment to condole with the people of Malam Fatori over the recent unfortunate attack.

"He promised that state government and the military will do everything possible to secure the town."
