Unilorin: Cultists Kill 100 Level Student

A 100 level student of University of Ilorin, was on Tuesday killed during a clah between the rival cultist of the institution. Already, the state police command has commenced full investigations into the killing. The student, who is from the Economic department of the university, was killed by gun shots during the fracas that took about 15 minutes at Tanke area of Ilorin. Eye witness account told **THIS-DAY** that the five-man gang trailed their rivals to a joint along Pipeline area, off Tanke round about in a sky blue colored Toyota salon car.
