

Flood

Another flood disaster has hit Gombe State capital and Akko Local Government area where two people were feared dead, with over hundred houses and properties worth billions of naira destroyed. THISDAY checks indicates that following a heavy rainfall that lasted about 30 minutes, over 100 houses were destroyed, while livestock were washed away in Bogo Village, Akko Local Government area. To commiserate with the people, the state Governor, Alhaji Muhammad Danjuma Goje visited the affected area and sympathised with the victims.
