Gunmen Kill Bank Manager in A'lbom

From Okon Bassey in Uyo, 07.17.2009

Gunmen have continued to wreak havoc in Uyo, Akwa Ibom State, killing a Bank Manager, at his residence in the city, a month after two brothers were murdered. The unidentified gunmen successfully escaped after killing the 40-year-old Sampson Edet.

Sources said the deceased, an indigene of the state from Ibesikpo Asutan Local Government area, was rushed to a nearby clinic only to be certified dead by the doctor on duty. No item was picked from his apartment.

The deceased's landlord described him as a humble and hardworking person, wondering what could have caused his assassination.

When THISDAY visited the bank, normal banking activities were going on; but the workers kept sealed lip over the incident.

The state's Police Public Relations Officer, Mr Gabriel Ngban, said he was at a meeting when THISDAY called him on phone on the matter and promised to call back in 30 minutes. He didn't.
