Another bomb exploded in Kaduna Friday killing four people. An eye witness said the blast occurred at the Rafin Guza area near the Legislators Quarters during the Muslim Magreb prayers (evening prayer)

throwing the entire locality into great confusion.

Security agents were immediately deployed to the scene of the blast. Dismembered corpses of the victims were immediately packed.

Details of the incident were scanty at the time of this report, but the spokesman of the Kaduna State Police Command, Aminu Lawan (DSP) confirmed the incident.

About two weeks ago, a bomb had exploded in Kaduna killing the courier who apparently intended to plant it during the National Assembly polls.
