Tension ran high in Ilese, a community near Ijebu -Ode in Ijebu North East Local Government Area (LGA) of Ogun State yesterday, as three officials of the Federal Road Safety Corps (FRSC) were struck dead by thunderstorm.

The incident reportedly occurred around 10am.

Eyewitnesses told THISDAY that the tragedy occurred while it was raining.

They were said to have been struck dead by the thunderstorm while working at the FRSC's office located at Old Toll Gate, Ilese community.

It was gathered that the thunder struck while the FRSC officials were planning for the early morning parade within the vicinity of their office.

A senior official of the FRSC in the locality who spoke with THISDAY but opted for anonymity, said there were about 12 officials in the office when the thunderous lightning occurred.
