A communal clash between Gungura community in Ganjuwa Local Government Area of Bauchi State and Buri Buri community of Dukku Local Government of Gombe State has claimed yet to be identified number of people while houses and farm lands worth millions of Naira were destroyed.

The disclosure was made by the member of Bauchi State House of Assembly representing Ganjuwa East Constituency, Gazali Abubakar Wunti, while speaking Under matters of urgent public importance, drawing the attention of the House on border crisis which erupted in his Constituency.

According to Gazali Abubakar, in the early hours of yesterday around 3:00am, people from Buri Buri village in Dukku Local Government Area of Gombe State attacked a village called Bara in Gungura ward of Ganjuwa LGA in Bauchi state.

He explained that, "So many committees were formed in

the past to resolve the border disputes but all efforts ended in futility. They have been attacking the people of the area and destroying their properties

and now it even included loss of innocent lives."

The lawmaker further stated that people of his Constituency have been patience for so

many years on the damages being perpetuated on them claiming that, "The attackers destroyed the people's farms and properties worth millions

of naira. The communities now resort to engage volunteers and vigilante to guard their farms".

He then urged the

House to send a committee to sympathize with the community and ask government to take urgent action on the matter.
