Unknown gunmen have killed a Fulani Leader (Ardo), Mr. Adamu, of Panyam in Mangu Local Government Area of Plateau State.

Transition Implementation Committee Chairman of Mangu Local Government Area, Mr. Markus Artu, in a statement, condemned the killing of Gabdo, describing it as barbaric and an act of criminality by enemies of Plateau State who are against the peace currently being enjoyed in the state.

Artu assured the people of

Mangu that the security operatives are on the trail of the perpetrators, and they would soon be arrested and made to face the wrath of the law.

He said that the people of Mangu have put the past behind them and have resolved to leave in peace with each other irrespective of tribe or religion and would not allow anyone to come between them.

He described the incident as a deliberate act by hoodlums and a clear act of criminality, which has nothing to do with tribe or religion.
