Man, 38, kills wife for refusing him sex

17.10.2008

The police in Sanga, Kaduna State, have arrested a 38-year-old man (name withheld) for allegedly beating his wife to death for refusing him sex.

The News Agency of Nigeria (NAN) reported that the incident happened on Tuesday at Janda, a village in Sanga Local Government Area of the state.

Neighbours of the couple told NAN that a misunderstanding broke out between the two after the 35-year-old wife, Sarah, allegedly failed to meet her husband's sexual need.

A reliable police source confirmed the incident and said the man had admitted committing the crime.

The source said the suspect blamed the incident on drunkenness.
