Man Killed His One-Day Old Grandson For Being A Bastard

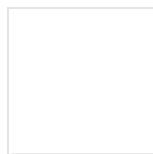

According to the National Mirror, a 35 year old man strangled his one-day old grandson and dumped the corpse at a river bank.

The Nigerian Security and Civil Defense Corps (NSCDC), arrested Mr Alanana Ayuba, who confessed to the crime during interrogation, that he strangled the baby because he did not want a bastard in his house. He said he did it to allow his daughter who was impregnated by an unknown person to further her education.

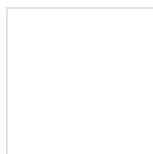

The 19 year old mother of the baby and the suspect's daughter, Deborah Alanana, said she was not aware of her father's evil intention until she heard the baby's cry and by then it was too late to save him.

This is so sad, killing an innocent baby for What do you say??????????
