

# Another landslide in C/River, one person killed

By John Ighodaro

---

**C**ALABAR—ANOTHER landslide occasioned by a violent rainstorm weekend in Calabar, Cross River State has swept away 14 houses leaving one person dead in the Edim Otop Area of the City.

This is coming on the heels of incessant and often violent rainstorm that had been the lot of Calabar in recent weeks.

Within hours of the down-

pour, 14 houses were submerged as rainwater gathered, swelled and rushed down Effiong Street, widening and deepening gullies on its course.

While attempting to salvage some of her personal effects in the deluge, a young woman, Miss Gladys Akpadiaha was swept away and has not been seen since.

At the end of the downpour, Miss Akpadiaha, her property and House No 9 where she lived soon disappeared in the storm.
