PORT HARCOURT— NO fewer than four persons reportedly lost their lives yesterday in a ghastly traffic accident in Port Harcourt. According to eye witnesses who spoke to the *Vanguard* at the scene of the accident along Azikiwe – Lagos bus route, the driver of the passenger bus was at fault.

They said from the way he carried on that morning, it was clear he was a green horn on the steering. They said he was on top speed when suddenly he applied the brakes

with much force, an action that caused the bus to summersault and landed on an oncoming taxi cab.

They said four persons died instantly while several others were severely wounded. It was not clear where the bus was coming from.

but there were speculations that it was from Diobu and heading towards Lagos Bus stop as its terminal point. One of those that died according to the sources was an Okada rider that also drove speedily into the turbulent scene and gave up the ghost immediately.
