

Police nab 4 suspected ritualists

MAIDUGURI — THE police in Borno on Friday announced the arrest of four persons, suspected to be ritualists, who specialise in beheading people.

The Police Public Relations Officer, Mr Mohammed Sani, said in Maiduguri that the suspects operated around Bayo Local Government Area.

Sani said that the police caught up with the suspects when they beheaded one Miss Binta Danfulani, who was working on her farm.

“On getting a tip on the incident, we swung into action and arrested one of the suspects, Kabir Usman, who later indicted Shaibu Bako, Buba Adamu and Adamu Usman,” he said.

The officer said that the suspects had admitted that they committed the offence and even took the police to the bush where Binta's head was removed.

Sani said that the suspects would soon be arraigned.
