BAUCHI—IT was a tragic day in Bauchi entirely when the two subordinate members of staff of Challenge Your Disability Initiative (CYDI), a non governmental organization set up by the Wife of Bauchi State Governor, Hajia Hauwa Biodun Yuguda, finally met their untimely death in an accident that occurred along Jos-Bauchi Road. The cause of the accident, according to an eye witness, was as a result of tyre burst when the Peugeot station wagon was on official speed, a development which made the car to somersault. One of them died on the spot while the second person died in the hospital and others sustained injuries.

The deceased were Hajia Hannatu Usman Tahir, the press secretary to the Wife of the Governor, Hajia Biodun and Miss Tayo Oderinde, a corps member who was her secretary.

Hajia Biodun in a condolence visit to late Hajia Hannatu Tahir's residence could not hold her tears in expressing shock over the tragic incident, having enjoyed a good working relationship with the deceased.
