

Imam killed in Kano

By Tina Anthony

KANO— ANOTHER prominent Islamic scholar, Mallam Sani Naiya, was murdered in Sharada quarters in the ancient city of Kano, *Vanguard* gathered that residents of the area woke up on Monday and found that the man had been slaughtered in cold blood.

However, another unconfirmed report told newsmen that only four days ago a similar ugly incidence occurred in the area, and this time it was an Imam that was killed by unidentified people in the same area.

An eye witness, name withheld, told pressmen Monday evening that residents in the area were thrown into pensive mood and confusion when they saw the body of the late Islamic scholar.
