A Sixty-five year-old woman was weekend, beaten to death by his son who later hanged himself to death on a tree in Ebrumede village in Uvwie Council area of Delta State.

Vanguard gathered that the woman was beaten to death by his son, Samson Ayoro, who sources said has become slightly unstable for quite sometime now

It was alleged that Samson Ayoro was poisoned through Indian hemp alcoholic bevareges and has since then become very unruly and violent.

Family sources said efforts to treat him were rebuffed as the said Samson refused to take his drugs until the unfortunate incident.

Police authorities at the Ekpan Police station confirmed the incident just as the Ugborikoko community youth leader said they had concluded arrangement to get him treated when the incident happened.

Reports said residents of Ebrumede village woke up to discover the lifeless body of the young man dangling from the tree. The cause of the death could not be ascertained even as there are doubts as to whether he actually killed himself or was murdered by unknown persons before being hanged.

The suspicion was as a result of the position of the corpse and from where the rope was tied, suggesting that he might have killed and hanged by some persons.

Meanwhile, police source at the Ebrumede station confirmed the story saying that investigations have commenced already to unravel the mystery surrounding the death of the Youngman.
