Police arrest man with fresh human skull

Written by Evelyn Usman

ANTI-Robbery policemen attached to Trade Fair division, weekend in Lagos, arrested a man with a fresh human skull. Also recovered from the suspect identified as Francis Bassey, were several wraps of weed suspected to be Indian Hemp.

Francis, whose arrest according to the Lagos State Police Public Relations Officer, Mr. Frank Mba, was effected right inside the Trade Fair Complex, also led to startling revelations during investigation.

The policemen said to be on patrol at the complex reportedly sighted Francis with a polythene bag at about 11.30pm on Sunday.

When they demanded to know the content of the polythene bag, Francis reportedly resisted at first, insisting they were his working tools. But after much persistence he reportedly threw the bag on the ground and took to his heels.

Unfortunately he was caught and when the polythene bag was opened, the startled policemen discovered it was a human skull.

Francis was thereafter taken to the station and thereafter transferred to the State Criminal Investigation department(SCID), Panti.

Operatives at the S.C.I.D according to Mba had begun investigation.
