Nigeria: CSM Claims Three in Sokoto

26 February 2009

Three persons have been confirmed dead from suspected cases of Cerebro-Spinal Meningitis (CSM) in Gwadabawa Local Government Area of Sokoto State, in the last three weeks.

The Council Chairman, Alhaji Abdullahi Sidi, confirmed this yesterday in Gwadabawa.

He said that the deaths were among 79 cases recorded in eight villages in the council area.

The chairman gave the names of the affected villages as Chanchan, Takarawa, Dan-Barunje, Zango-Asara, Here, Matse, Gala and Kalaba.

Sidi said that his council had established isolation camps in the rural health centres in Gwadabawa and Kalaba as well as Matse Village which had no health centre.

He further disclosed that his council had bought assorted drugs worth over N600, 000 for the treatment of the victims.

Sidi, who recently received Gov. Aliyu Wamakko, disclosed that the state government donated 3,000 doses of CSM vaccines to his council.
