Gunmen kill youth in Port Harcourt

Written by Jimitota Onoyume

PORT HARCOURT—FOLLOWING the brutal killing of a youth in Oroworuku village in D line area of Port Harcourt , Police in the state have arrested several youths in the community.

Giving a pictorial account of how the young man was murdered, some community sources that spoke to the Vanguard under cover, said some persons suspected to be cultist stormed the ancestral home of the youth and shot him dead.

According to the sources, the deceased, from all indications, was not the target of the suspected cultists.

"The assailants actually did not seem to have a good picture of their target. They mistook the decease for him even when he was shouting that he was not the person they said they came for.

"They did not hear him. They pumped several bullets into him before fleeing," said the sources.

The sources said that several persons had been arrested in connection with the incident which occurred last weekend.
