Police arrest man for killing in-law

[News](#) Mar 5, 2011

Recommend 56

14

Policemen attached to Ago division in Lagos, yesterday, arrested a man who allegedly murdered his in-law who was declared missing three days ago.

Parts of the body of the deceased were recovered from the suspect

The arrest, turned the division into a park of sort, as inquisitive members of the youth besieged there to

have a glimpse of the alleged murderer and the human parts concealed inside a plastic rubber.

The deceased identified as Basil Ogbonaya, was last seen on Tuesday. Tension according to his wife, heightened when he did not return home at midnight. An apprehensive Mrs Ogbonaya was said to have reported at Ago division where she was advised to wait for 24 hours.

However yesterday, the policemen acting on a tip off tip off , stormed an apartment in Ejigbo area, where the deceased informed his wife he was going to that fateful day.

During a search, the policemen reportedly stumbled on a blue plastic which they opened, only to find inside it human parts of Okafor , with the wall of the apartment splashed with blood.

The suspect, trader at Okota as gathered, invited the deceased who was his younger sister's husband to his place that fateful day

According to Okafor, an argument over Basil's inability to pay him an unspecified amount owed him, ensued during which he claimed to have hacked Basil to death with a cutlass.

Asked why he cut his remains into bits, he reportedly claimed it was to make it easier for him to dispose off the body.

The suspects and the exhibits were later driven away from the division , apparently to the State Criminal Investigation Department(SCID), Panti, Yaba, for further investigation.

@Hon.Cosmos

You want to become "Eskimo" meaning you would like to move to US or Canada where "Eskimos" live right? Ok then Google the name Jeffrey Dahmer.

Jeffrey is the Milwaukee, Wisconsin man who killed about 17 boys in total. He would kill boys and young men and then have sex with their dead bodies. He'd cut up their body and store them in his freezer. He also ate their hearts and other body parts before discarding the rest. Also Google Ted Bundy; and in case you prefer Canada then Google Robert William Pickton or Paul Bernardo... See I gave you little assignment in hope it could help cure your high level of ignorance. And while at it (the assignment) please tell us how much these men "embarrassed" Americans and Canadians. By the way do you still want to be Eskimo? It might help for you to know they are not really called Eskimo (Eskimo means "eaters of raw meat" and is considered offensive to Inuits)
