AKURE -An Akure Chief Magistrate Court, yesterday, ordered that a police corporal, [Gbenga Fawoyi](#), be remanded in prison custody for allegedly [killing his girlfriend](#).

Fawoyi was said to have killed the lady, simply identified as [Chibuzor](#), while on duty at [Eti-Ose boundary](#) in [Akoko Southeast local government area](#) of [Ondo state](#) on Sunday, [April 10](#).

Chief Magistrate A A. T. Oyedele, at the resumption of hearing of the matter, ordered the accused person to be remanded in prison till May 26.

The prosecutor, Amos Ifedayo had applied for adjournment and that the accused person be remanded in prison pending the arrival of legal advice.

Ifedayo told the Court that the file case on the matter had already been sent to the ministry of justice for legal advice on the case.

The accused defense counsel, Kobolu Atima, who did not object to the allegation, however noted that the case file should have been duplicated to ensure quick disposition of justice.

Chief magistrate Oyedele thereafter adjourned hearing on the matter to May 26 and ordered that Fawoyi be remanded in prison custody.

well i wish the case will have an headway because this is not the first time the policemen will kill people even because of N20 up till now nothing was done to the policemen involve, i dont see reason why the court is not using the capital punishment law to deal with killing case in this country but if one or two policemen has been kill in retaliation of his offense other will stop these nonsense killing.

Get it into your head you are to protect and not to kill.
Or better still, you are to preserve the law and not to break it.
Killing another person without lawful reason is murder and every killing by a law enforcement agent in our country shall be subject of public or court review.
We paid your salaries and bought you the guns to protect us and why should those instruments be used terminating our lives undeservedly.We deserve every available respect, police federation. Please warn yourselves!
THANK YOU

I think justice should prevail. No man has d rigth 2 kill anybody. Proper investigation should b carried out b4 passing out judgement. Who ever that tries 2 sweep d case under d carpet should also be punished. We cant creat life so why should we take life.

killing is the only language they know, whether they kill for love, hate or N20 bribe is not an issue for, so long as the word kill in involved.

It has become a normal practice for some police officers to enforce themselves on some innocent or timid unsuspecting citizens with the muzzle of guns. While these victims maintained sane posture with hope it was just a temporary cognition, the officers perceived it otherwise. Can the policy truly love ?

When a police love is rebuffed, it frequently results to violence irrespective of this impending case, the same had been the routine. It also makes it impossible to associate with the police in other friendlier lines. It is the police that impose hatred to themselves by their voluntary deeds and omissions when rejected.

No one knows whether their noxious behaviours are linked to job stress or simply a pattern of abnormality for brutality thought them in police academy? Until police officers realize that uniform does not warrant them ownership of anything the Law has not granted them by virtue of liberality and compliance. This case would not evaporate in thin atmosphere.

I think the gun culture should be started in this country, everyone should be licensed to carry a firearm just like in the USA. Do you see policemen shooting anyone anyhow in the USA? The only reason why policemen have that leverage over other citizens is because they've got the gun and can use it on you anyhow. Imagine if they knew that that people are armed as well they will be very careful before they pull their guns on anyone. If only somebody whom was present at the scene of this crime also shot the policeman in annoyance! By the time this happens to a few errant police officers they'll be more civil in the use of firearms.

Mr President we need a Jega 2 head the police in this country. If they can kill their girlfriends what are they going to do to their enemy? One policeman told me he will shoot me and put a gun on me, this man was drinking ogogoro in the presence of the other cops. What was my crime? Is that I walk past a church that was robbed two days back. We need total reform in the police force
